FOR IMMEDIATE RELEASE

Special Legislative Commission to Study the Efficiency and Cost of Implementing a Recycling Program for all Multifamily Residential Units

Representative Quattrocchi is pleased to announce the study commission on the efficiency and cost of implementing a recycling program for all multifamily residential units will be meeting for the first time today. The meeting will take place in Room 101 of the Rhode Island State House at 2:30PM. The meeting will include an election of a chairperson, discussion of the scope of the commission, introduction of commission members, and to and set a schedule for future commission meetings. Public testimony will not be accepted at this introductory briefing but will be welcomed in the upcoming meetings.
